We have inspected the information provided to us for the year ended 28 February 2014 for the purposes of determining the turnover level of the above-named organisation and we have performed an audit of the financial statements.

The audited financial statements provided to us for the year ended 28 February 2014 reflect revenues to be less than R5 million and accordingly the organisation is classified as a level 4 status exempt micro enterprise. This means that the organisation's services rendered qualify for 100% B-BBEE spend status.

Yours faithfully
